EXPERIENCE

Freelance UI/UX

- August 2018 – April 2023

I was part of a small company and became a User Research and User Interface Designer. I designed several apps and websites and collaborated with our team until our customers were satisfied.

Product Manager

- July 2020 – March 2022

We design concepts, implement ideas, develop products and build products. Here I am responsible for designing and developing products so that the products we make are the best and beat competitors.
